Author's Notes:
It came to my mind when I was listening to "Have I told you lately?" by Rod Stewart.

That drabble is short letter James left for Lars before going to rehab. Enjoy.

Dear Lars,

Even if I haven't said it in a really long time, I want you to know that you're the most important person to me. You always know how to make me smile. And I have never said "thank you".

I've got a really huge problem now. I'm an alcoholic. And again, I need to thank you. I didn't notice it. But you weren't afraid to tell me the truth, just like everyone else. I'm going to rehab.

I hope you'll forgive me... I really regret all bad things I've done to you. I'll always love you,

James.
